

Members of the Delaware Bar:

On January 28, 2016 the Delaware Supreme Court issued an [order amending Rule 4\(D\) of the new Rules of the Commission on Continuing Legal Education](#). This amendment is effective concurrent with the effective date of the new Rules, January 1, 2016.

CLE Rule 4(D) now requires newly admitted attorneys (those admitted after December 1, 2015) to attend all seven Fundamentals programs rather than just three. To accommodate the additional attendance requirement, attendance must be completed within four years (i.e., within the attorney's first two compliance periods).
