Christopher D. Renaud joined the Delaware Court of Chancery as Chief Staff Attorney on October 20, 2025.

Mr. Renaud graduated with high honors from Penn State's Dickinson School of Law and Bucknell University. Prior to joining the Court of Chancery, Mr. Renaud spent eight years in private practice, representing clients in corporate and commercial litigation before the Court of Chancery and the Superior Court. In addition to this work, he regularly served as a mentor to junior associates and provided pro bono representation to persons in guardianship matters in the Court of Chancery.

Mr. Renaud is actively involved in the Delaware community, serving as a member of the Board of Directors of Jefferson Street Center and as President of Next Gen North at the Delaware Community Foundation.

"Mr. Renaud's passion for serving the Delaware community and wealth of knowledge and experience in Chancery practice will immediately benefit the court," said Chancellor Kathaleen St. J. McCormick. "We could not be more excited to welcome Chris to the team."

As Chief Staff Attorney, Mr. Renaud will advise the court on legal matters and court-wide initiatives, reporting directly to the Chancellor.

"I am honored to be joining the Court of Chancery as Chief Staff Attorney," said Mr. Renaud. "I have a profound respect for the role the court plays in our State and for the individuals and entities that call Delaware home. I look forward to supporting the court in that mission."
