

Dear bail agents and bail entities,

The Administrative Office of the Courts (AOC) is now accepting the 2026 bail registration form along with attached documents (bail registration packet) for authorization to post bail in Superior Court, Court of Common Pleas, Family Court, and Justice of the Peace Court. You must include all the documentation that is listed in "Section 5: Checklist" on the attached bail registration form. In addition, please read carefully the "Appendix - Frequently Asked Questions, Reasons for Rejection and Samples" to make certain that your bail registration form is accurately completed. Please note that only licensed bail agents should fill out these forms because the AOC authorizes only licensed agents to conduct bail business in the courts.

All bail agents and bail entities registering to post bail in Superior Court, Court of Common Pleas, Family Court, and Justice of the Peace Court must submit a completed registration form with the supportive documentation by **Wednesday, December 24, 2025**. If we receive your completed registration packet by **December 24**, your current bail registration will remain active through January 16, 2026, which will allow the AOC time to review the 2026 bail registration packet and approve it by January 16, 2026. Please note, if we receive your completed registration packet for 2026 after December 24, there is no guarantee that we will be able to review it before the end of the year and thus you may be dropped from the bail list on January 1, 2026, until we are able to review it.

For entities that operate in New Castle County and are not able to get a 2026 City of Wilmington Business License by December 24, 2025:

- You must provide a clear and legible copy of a receipt from the City of Wilmington showing that you paid the license fee.
- You must send a copy of your 2026 City of Wilmington Business License to the AOC by **February 2, 2026**.
- If you do not send the AOC a copy of your 2026 City of Wilmington business license by February 2, 2026, your entity will be suspended until the AOC does receive this license.

Your registration documentation must be **notarized**, and it should only be delivered to the Filing and Payment Center. The address is below. The Filing and Payment Center will forward the information to the Administrative Office of the Courts. Please be advised that **you will only be able to post bail in the counties for which you have provided a valid city / town / municipality license.**

All bail agents shall follow the Codes of Conduct and Administrative Directives for the different court(s):

- Superior Court – [Superior Court Administrative Directive 2013-5](#)
- Court of Common Pleas - [Court of Common Pleas Rules of Conduct for Bail Agents and Property Bail Agents, Administrative Directive No. 2016-1 Automated Bail Posting Procedures](#)
- Family Court - [Policy Memorandum Regarding Bail Bonds](#)
- Justice of the Peace Court - [Policy Directive 87-106 \(Revised\)](#)

Please submit the original registration form(s) along with all other required documentation to:

APPENDIX - Frequent Asked Questions, Reasons for Rejection and Samples

The following list several commonly occurring reasons for rejection and tips on how you can avoid them in your own packets.

1. DOI Certificate of Authority

The Delaware Department of Insurance Certificate of Authority ("Certificate") is a one page document and it can be obtained from your surety company. This document grants the Surety Company the Authority to do business. The Certificate is renewed annually; you need to attach a copy of their most recent certificate to the Bail Entity registration submission. A blank copy of a Certificate is attached in order to familiarize you with what you are requesting from your surety.

Sample:

îò Guarantor

The Guarantor as listed in Section 2 above applies to the Designated Bail Agent. This section should be completed by the Designated Bail Agent and not the Surety.

îò Business Entity Name must match

The most frequently occurring reason for rejecting an application is that the Business Entity names do not match on all documentation. The documentation, being legal in nature, must match precisely to ensure that the business has the appropriate registration and insurance coverage needed to do business within the jurisdiction.

TIP: Refer to any official IRS paperwork (form SS-4) for a correct listing of your business name. All other documents should match your IRS paperwork.

îò Municipality licensing

Another common reason for rejection is failure to provide a copy of your Business License from the Municipalities. Municipalities such as the City of Wilmington operate on a different renewal cycle from this registration process and therefore you may not be able to obtain a copy of the actual license prior to this registration process deadline. To account for that the Courts will temporarily allow you to submit the receipt for payment to the City of Wilmington to begin the application process. You will then need to submit your official license before January 31st.
