

Delaware Supreme Court Amends Internal Operating Procedure XVIII

By order dated November 9, 2018 and effective immediately, the Delaware Supreme Court amended Internal Operating Procedure XVIII(7)(j) to clarify that a single Justice can grant limited word count extensions for briefs in all cases. The procedure continues to emphasize that word count extensions are disfavored. The amendment is available on the Delaware State Courts' website: <http://courts.delaware.gov/rules/>.
