**Re: Emmy GoLucky v. Getsmart Dog Treats, Inc.**  
**C.A. No. 00A-00-000 VLM**

Dear Counsel:

The above appeal from a decision for the Industrial Accident Board has been assigned to me.

I would like to confer with counsel to see if there is any possibility that this case can be resolved by the parties without the need of judicial resolution. I have had some recent situations where appeals from the Industrial Accident Board have been resolved by the parties.

Accordingly, I will plan to confer with counsel by telephone on Wednesday, July 21 at 9:45a.m. (If this date and time is not convenient, please notify my secretary). Please confer with your clients and each other before the teleconference.

This effort by me should not be construed in any way as any indication of my thoughts about the merits of either side's position, and any expression by either party during our teleconference of an interest in exploring a possible settlement will not be construed by me as any indication about that attorney's thoughts about the merits of the case.

Sincerely,

Vivian L. Medinilla  
Judge
